**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want to have options when choosing internet providers rather than using the 'old' phone company model where they were in control.

I've upgraded from DSL to gig fiber and that makes a big difference in my ability to manage my business, do research, and work remotely for clients or employer.
